

# Help IMC and Save Money When Buying or Selling a Home!

I'm an IMC sangha member and long-time local real estate broker, now retired. I will negotiate a reduced brokerage fee for you, and contribute my entire finder's fee to IMC. This is my dana to the center, there is no money in this for me.

I have contacts throughout California and the U.S., and will find the ideal broker for you.

If you have questions I can refer you to other sangha members who have done this.

For more information on this opportunity, call Carol Collins at (408) 354-5893 or email at [ccollinsc@verizon.net](mailto:ccollinsc@verizon.net).
