## When Buying or Selling a Home

I'm an IMC sangha member and long-time local real estate broker, now retired. If you are selling your home I can refer you to a realtor and negotiate a reduced brokerage fee. If you are buying, I can refer you to a realtor who will assist you in identifying properties, areas, loans, etc.

Buying or selling, the realtor will make a donation in your name to the Insight Retreat Center in Santa Cruz.

I will be available as your consultant (no charge) through the whole process. I have helped facilitate this process for sangha members in San Mateo, Santa Clara, Santa Cruz counties and other Bay Area counties.

**If you have any real estate questions**, or would like to discuss buying or selling your home, call me:
